15th Anniversary Honorees

Honoree: John Flynn

John Flynn is a socially driven singer and songwriter whose powerful songs of humanity and hope are deeply rooted in the traditions of Woody Guthrie and Phil Ochs. Having shared the stage with such artists as Willie Nelson, Arlo Guthrie and Kris Kristofferson, John's work speaks to our common shared humanity. John joined Arlo Guthrie on his Train to New Orleans tour, a tour to benefit Hurricane Katrina victims. He also joined Sonny Ochs, the sister of the late Phil Ochs, on her national Phil Ochs Song Nights tour. John has released many albums, his 8th CD, America's Waiting was released in 2009 to rave reviews.

John is a member of the Camp Dreamcatcher Advisory Committee and has volunteered with the organization for the past 15 years. John recently received a "Peacemaker Among Us" award from Pacem in Terris of Delaware. He was made a Paul Harris Fellow by the Rotary Club for his notable service. He also gained a Shining Star Award from the Dominicans for artistry and service for his song The Passunder (New Orleans) and won a Notable Recording Award from the American Library Association for his CD, Love Takes a Whole Box of Crayons.

When John is not touring, he presents special programs on songwriting and Prison Ministry, performs at school assemblies, workshops and family concerts. John works with Musicians on Call, an organization that brings music to the bedsides of patients in healthcare facilities. He is also an advocate for wider understanding and treatment of PTSD suffered by our returning war veterans.

Native of Prospect Park, PA, he now lives in Wilmington, DE with his wife Beth, four children and his dog Chief. John is a graduate from Temple University where he earned a degree in Political Science.

Honoree: Dr. Raida Rabah

In May of 2001, Dr. Rabah was presented with the Planned Parenthood of Chester County HIV/AIDS Community Service Award.

Dr. Rabah is a graduate of Damascus University of Medicine and completed her Internal Medicine Residency and Infectious Disease Fellowship at Wayne State University in Detroit, Michigan. She lives in Downingtown and has one son, Bashar, who is 15 years old. Dr. Rabah likes to spend her leisure time reading, gardening and doing interior design projects.

Dear Friend:

It is hard for me to believe that what started as a one-week camp session in 1996 has expanded to year-round programming for children coping with HIV/AIDS. Our programs have served over 1,500 children throughout the past 15 years and over 750 counselors have completed our HIV/AIDS and Diversity Training. Over 300 counselors, medical personnel, professionals and community members volunteer during the camp week alone.

We have accomplished so much over the years, thanks to the generous support of our community. Our programs now include:

a week-long therapeutic and educational Camp Session for 135 campers, ages 5-17

- ♦ a Teen Life Skills Retreat
- ♦ a Teen Leadership Retreat
- ♦ a "Catching the Dream" Retreat for young adults
- ♦ a holiday Adopt-a-Family Program
- ♦ camper/counselor Reunion Events
- ♦ a Teen Speaker's Bureau
- ♦ HIV/AIDS Education, Training & Outreach

I hope that you will join us in celebrating our anniversary by joining us as a sponsor for the event. Your support will enable us to continue making a positive impact in the lives of children coping with HIV/AIDS.

Sincerely,

Patty Hillkirk, Executive Director
